Part I

Letter from the chairman and Notice of Annual General Meeting

Dear Shareholder,

Annual General Meeting

I am pleased to invite you to this year's Annual General Meeting (AGM) to be held at 10.00 am at Vintners Place, 68 Upper Thames Street, London EC4V 3BJ on 27 April 2017. The Notice of AGM, which follows this letter, sets out the business to be considered at the meeting.

The AGM gives the Board the opportunity to present the Company's performance and strategy to shareholders and to listen and respond to your questions. Your participation is important to us and, if you cannot attend, I would encourage you to vote ahead of the AGM. If you are unable to attend the AGM, you may appoint the chairman of the AGM or a person of your choice to be your proxy to attend, speak and vote on your behalf by completing the enclosed form of proxy. This proxy form should be completed, signed and returned in accordance with the instructions printed thereon at least 48 hours before the AGM.

All the Resolutions apart from Resolutions 16, 17 and 19 are proposed as ordinary resolutions. Resolutions 16, 17 and 19 are proposed as special resolutions. Voting on all Resolutions to be proposed at the AGM will be by way of a poll (please refer to page 13 of this document for further details on voting).

Reporting requirements

The 2016 annual report and accounts, including the strategic report, the directors' report and the auditor's report, have been prepared to comply with the requirements of sections 414A to D and 415 to 419 of the Companies Act 2006 ('the Act') and various other regulatory rules. These are proposed as Resolution 1 for approval by shareholders.

Directors' remuneration report and policy

Shareholders are being asked to vote on the directors' remuneration report on pages 52 to 66 of the 2016 annual report and accounts (Resolution 2) and the directors' remuneration policy, contained in the directors' remuneration report (Resolution 3). The directors' remuneration policy sets out the Company's policy on directors' remuneration, including directors' fixed and variable pay and the granting of share awards. Shareholders will have a binding vote on Resolution 3 and, if approved, the policy will be effective from the date of the AGM until it is replaced by a new shareholder-approved policy (currently not expected to be proposed until the AGM in 2020).

Approval of waiver of Rule 9 offer obligation

The offer obligation

Under Rule 9 of the Takeover Code, when: (a) any person acquires, whether by a series of transactions over a period of time or not, an interest in shares which (taken together with shares in which persons acting in concert with him are interested) carry 30% or more of the voting rights of a company; or (b) any person, together with persons acting in concert with him, is interested in shares which in aggregate carry not less than 30% of the voting rights of a company but does not hold shares carrying more than 50% of such voting rights and such person, or any person acting in concert with him, acquires an interest in any other shares which increases the percentage of shares carrying voting rights in which he is interested, such person is normally required to make a general offer in cash for all the remaining equity share capital of the Company at the highest price paid by him, or any persons acting in concert with him, for shares in the Company within the twelve months prior to announcement of the offer.

Under Rule 37 of the Takeover Code, when a company purchases its own voting shares, any resulting increase in the percentage of shares carrying voting rights in which a person or group of persons acting in concert is interested will be treated as an acquisition for the purposes of Rule 9 (although a shareholder who is neither a director nor acting in concert with a director will not normally incur an obligation to make a Rule 9 offer).

Part I

Letter from the chairman and Notice of Annual General Meeting continued

Existing Rule 9 waiver

At the last Annual General Meeting held on 27 April 2016, shareholders voted in favour of a resolution that waived the Rule 9 offer obligation that would otherwise arise upon Oaktree or any persons acting in concert with Oaktree to make a general offer for all the issued share capital of the Company following the increase in the percentage of voting rights held by Oaktree due to share repurchases made by the Company.

Oaktree means Oaktree Capital Management (UK) LLP and its related funds ('the Oaktree Funds'). Oaktree is currently the largest shareholder in the Company. It holds 71,696,855 shares in the Company, representing approximately 30.133% of the issued share capital (excluding the treasury shares) as at the Latest Practicable Date.

The Board wishes to continue to have the maximum flexibility in managing the Company's capital resources and intends to seek shareholder approval to have the authority to purchase its own shares at this AGM ('the Buyback Authority') (Resolution 19). Resolution 19 (if approved) will enable the Company to make market purchases of its own shares that could increase Oaktree's existing shareholding in the Company. In this respect, the Company has applied to the Panel for a renewal of the waiver of the obligation which would otherwise arise upon Oaktree pursuant to Rule 9 of the Takeover Code ('the Code') to make an offer for the remaining shares in the Company ('the Waiver'). The Company is also seeking shareholder approval to renew the Waiver (Resolution 20). For so long as Oaktree holds more than 30% of the Company's share capital, Resolution 19 would be ineffective without Resolution 20 also being approved. The approval of Resolution 20 will expire at the conclusion of the Annual General Meeting in 2018 or at the close of business on 30 June 2018, whichever is the earlier.

Were the Company to make market purchases from persons other than Oaktree or any person acting in concert with Oaktree to the maximum extent permitted pursuant to Resolution 19 (and assuming no other allotments of Ordinary Shares and with no other person converting any convertible security or exercising any options or any other rights to subscribe in Ordinary Shares), the shareholding of Oaktree would remain at 71,696,855 Ordinary Shares but the proportion of the Company's reduced issued voting share capital represented by those shares would increase to over 33.48%.

Waiver

The Company has applied to the Panel for a Waiver in order to permit the Buyback Authority to be exercised by the Board without triggering an obligation on the part of Oaktree to make a general offer to shareholders. The Panel has agreed, subject to the approval of independent shareholders on a poll, to waive the requirement for Oaktree and any person acting in concert with Oaktree to make a general offer to all shareholders where such an obligation would arise as a result of any purchases by the Company of its Ordinary Shares.

The Waiver granted by the Panel relates only to any increase in the percentage of Ordinary Shares held by Oaktree or any person acting in concert with Oaktree as a result of purchases by the Company of Ordinary Shares pursuant to the Buyback Authority and is conditional on the passing of Resolution 20 by the independent shareholders of the Company on a poll. As Oaktree, and any person acting in concert with Oaktree, are interested in the outcome of Resolution 20, they will be precluded from voting on that resolution.

Oaktree will not be restricted from making an offer

In the event that Resolution 20 is passed, Oaktree will not be restricted from making an offer for the Company.

The Board

Each director has agreed to submit himself or herself for reappointment by shareholders (Resolutions 4 – 12). Biographical details of all the directors (as at the date of this Notice) are set out on pages 38 to 39 of the 2016 annual report and accounts and appear on the Company's website: www.countrywide.co.uk.

Following changes to the Listing Rules which took effect in May 2014, certain voting procedures will need to be followed in respect of the election or re-election of independent non-executive directors. Accordingly, Resolutions 4, 5, 9, 10, 11 and 12 (dealing with the election or re-election of independent non-executive directors) must be approved by both a simple majority of all shareholders and by a simple majority of the independent shareholders (i.e. those shareholders who are not party to the Relationship Agreement which was entered into between Oaktree and the Company (among others) on 19 March 2013) for those directors to be re-elected. Further details on the voting procedures to be followed are included in the notes to the Notice of Meeting on page 13. These are the same voting procedures as applied to the re-election of the independent directors at the 2016 AGM.

Explanatory notes

Explanatory notes on the resolutions to be considered at the AGM appear on pages 9 to 12 of this document.

Recommendation

Your directors consider that each Resolution to be proposed at the AGM is in the best interests of the shareholders as a whole and unanimously recommend shareholders vote in favour of all resolutions, as they intend to do in respect of their own shareholdings.

For Resolution 20, Oaktree will not be voting their shareholding of 71,696,855 Ordinary Shares, representing approximately 30.133% of the Company's current issued share capital (excluding the treasury shares). In addition, as he is the representative of Oaktree on the Board, Caleb Kramer has not participated in the Board's consideration of the Waiver.

Jefferies has provided advice to the directors other than Caleb Kramer, in accordance with the requirements of paragraph 4(a) of Appendix 1 to the Takeover Code, in relation to the granting of the Waiver by the Panel. This advice was provided by Jefferies to the directors (other than Caleb Kramer) only and in providing such advice Jefferies has taken into account the commercial assessment of the directors (other than Caleb Kramer) as well as the confirmation of Oaktree's future intentions that they have provided to the Company as set out above.

The directors (other than Caleb Kramer), who have been so advised by Jefferies, consider the Waiver to be fair and reasonable and in the best interests of the Company and the independent shareholders as a whole. The directors (other than Caleb Kramer) also consider Resolution 20 to be in the best interests of the shareholders as a whole. Accordingly, the directors (other than Caleb Kramer) unanimously recommend that independent shareholders vote in favour of Resolution 20 approving the Waiver at the AGM, as they intend to do in respect of their own beneficial shareholdings. Caleb Kramer will not be making a recommendation to the independent shareholders in relation to Resolution 20 as he is the representative of Oaktree on the Board and therefore has not participated in the Board's consideration of the Waiver.

Jefferies has given and has not withdrawn its written consent to the issue of this document and the circular to shareholders which accompanies this document with the references to it in the form and context in which they appear in these documents.

Yours faithfully

Peter Long
Independent chairman

Explanatory notes to the proposed resolutions

For each of Resolutions 16, 17 and 19 (proposed as special resolutions) to be passed at the AGM, at least three-quarters of the votes cast must be in favour of each Resolution.

For any of the ordinary resolutions listed below (all resolutions except Resolutions 16, 17 and 19) to be passed at the AGM, more than half the votes cast must be in favour of the resolution.

Resolution 1 – To receive the Company's annual report and accounts

For each financial year, the directors are required to present the annual report and accounts of the Company (including the strategic report, directors' report and auditor's report) to the shareholders.

Resolution 2 – Approval of the directors' remuneration report

The directors are required to prepare an annual report detailing the remuneration of the directors and a statement by the chairman of the Remuneration Committee (together, the 'directors' remuneration report'). The Company is required to seek shareholders' approval in respect of the contents of this report on an annual basis. The vote is an advisory one.

You can find the directors' remuneration report on pages 52 to 66 of the 2016 annual report and accounts.

Resolution 3 – Approval of the directors' remuneration policy

Under section 439A of the Act, the directors must separately propose for approval by shareholders a remuneration policy for the Company's directors ('the directors' remuneration policy'), set out in the remuneration report, at least every three years. The directors' remuneration policy is set out on pages 54 to 59 of the 2016 annual report and accounts. Shareholders will have a binding vote on this resolution. Once the directors' remuneration policy is approved, it will take effect from the date of approval by shareholders and will apply until replaced by a new or amended policy. Once effective, the Company will not be able to make a remuneration payment to a current or prospective director or a payment for loss of office to a current or past director, unless that payment is consistent with the policy or has been approved by a resolution of shareholders.

Resolutions 4 to 12 – Reappointment of directors

Resolutions 4 to 12 deal with the re-election of Directors in accordance with the requirements of the Company's Articles of Association and of the UK Corporate Governance Code.

Biographical details of all the directors (as at the date of this Notice) seeking re-election are set out on pages 38 to 39 of the 2016 annual report and accounts and appear on the Company's website: www.countrywide.co.uk. Further information relating to the experience, skills and background of each of the directors offering themselves for re-election is also set out on pages 38 to 39. Additional information is included on page 42 of the 2016 annual report and accounts about the independence of the independent non-executive directors (defined below), as required by the Listing Rules.

Resolutions 4, 5, 9, 10, 11 and 12 relate to the re-election of Peter Long, David Watson, Richard Adam, Catherine Turner, Jane Lighting and Rupert Gavin, who are directors that the Board has determined are independent directors for the purposes of the Code ('the independent non-executive directors').

The Company is required to comply with provisions of the Listing Rules relating to controlling shareholders and the re-election of the independent non-executive directors of the Company. The Company has determined that the shareholders who have made notifications under the Disclosure and Transparency Rules as disclosed on page 67 of the 2016 Annual Report and Accounts, together with certain other shareholders, in aggregate control the exercise of voting rights in respect of 30.133% of the Ordinary Shares and are accordingly deemed to be or may become, by virtue of market purchases in accordance with Resolution 19, controlling shareholders solely for the purposes of the Listing Rules. As a result, the election or re-election of any independent director by shareholders must be approved by a majority of both:

- (1) the shareholders of the Company; and
- (2) the independent shareholders of the Company (that is the shareholders of the Company entitled to vote on the election of directors who are not controlling shareholders of the Company).

Resolutions 4, 5, 9, 10, 11 and 12 are therefore being proposed as ordinary resolutions which all shareholders may vote on, but in addition the Company will separately count the number of votes cast by independent shareholders in favour of the resolution (as a proportion of the total votes of independent shareholders cast on the resolution) to determine whether the threshold referred to in (2) above has been met. The Company will announce the results of Resolutions 4, 5, 9, 10, 11 and 12 on this basis as well as announcing the results of the ordinary resolutions of all shareholders.

Under the Listing Rules, if a resolution to re-elect an independent director is not approved by majority vote of both the shareholders as a whole and the independent shareholders of the Company at the AGM, a further resolution may be put forward to be approved by the shareholders as a whole at a general meeting which must be held more than 90 days after the date of the first vote but within 120 days of the first vote. Accordingly, if any of Resolutions 4, 5, 9, 10, 11 and 12 are approved by majority vote of the shareholders of the Company but are not approved by a majority vote of the Company's independent shareholders at the AGM, the relevant director(s) will be treated as having been re-elected only for the period from the date of the AGM until the earlier of (i) the close of any general meeting of the Company, convened for a date more than 90 days after the AGM but within 120 days of the AGM, to propose a further resolution to re-elect him or her, (ii) the date which is 120 days after the AGM and (iii) the date of any announcement by the Board that it does not intend to hold a second vote in respect of the re-election of that director. In the event that the director's re-election is approved by a majority vote of all shareholders at a second meeting, the director will then be re-elected until the next AGM.

Part III

Explanatory notes to the proposed resolutions continued

Resolutions 4 to 12 – Re-appointment of directors continued

The Company considers the independence of an independent director on an annual basis, taking into account the independence criteria contained in the UK Corporate Governance Code. The Company regards each of the independent non-executive directors to be independent in accordance with this criteria and confirms that there have been no previous or existing relationships, transactions or arrangements between each of the independent directors and the Company, any of its directors, any controlling shareholder or any associate of a controlling shareholder.

The independent non-executive directors bring a wide range of experience, as set out in the biographies on pages 38 to 39 of the 2016 annual report and accounts, and the Company considers that they make an important contribution to the Board's discussions and provide an impartial perspective.

Following the completion of the Board evaluation process for 2016, the independent chairman confirms on behalf of the Board that each of the directors standing for re-election under Resolutions 4 to 12 continues to be effective and demonstrates commitment to their respective roles.

Accordingly, re-election of each of the directors under Resolutions 4 to 12 is recommended.

Resolutions 13 and 14 – Auditor

The Company's auditor must offer itself for reappointment at each AGM at which accounts are presented. The performance and effectiveness of the auditor has been evaluated by the Company's Audit and Risk Committee (which included an assessment of the auditor's independence and objectivity), which has recommended to the Board that PricewaterhouseCoopers LLP be reappointed and its remuneration be determined by the Company's Audit and Risk Committee.

Resolution 15 – Authority to allot shares

Paragraph (a) of this resolution would give the directors the authority to allot Ordinary Shares or grant rights to subscribe for or convert any securities into Ordinary Shares up to a maximum aggregate nominal amount equal to £793,104.89 (representing 79,310,489 Ordinary Shares of 1 pence each). This amount represents approximately one-third (and is not more than one-third) of the issued Ordinary Shares capital (excluding treasury shares) of the Company as at the Latest Practicable Date.

In line with guidance issued by the ABI, paragraph (b) of this resolution would give the directors authority to allot Ordinary Shares or grant rights to subscribe for or convert any securities into Ordinary Shares in connection with a rights issue in favour of ordinary shareholders up to a maximum aggregate nominal amount equal to £1,586,209.78 (representing 158,620,978 Ordinary Shares), as reduced by the nominal amount of any shares issued under paragraph (a) of this resolution. This amount (before any reduction) represents approximately two-thirds (and is not more than two-thirds) of the issued ordinary share capital (excluding treasury shares) of the Company as at the Latest Practicable Date, being the latest practicable date prior to publication of this Notice.

The authorities sought under paragraphs (a) and (b) of this resolution will expire at the earlier of 30 June 2018 and the conclusion of the AGM of the Company held in 2018.

The directors have no present intention to exercise either of the authorities sought under this resolution except, under paragraph (a), to satisfy options and awards under the Company's option and incentive schemes and one-off incentive arrangements, but the Board wishes to ensure that the Company has maximum flexibility in managing the Company's capital resources. However, if they do exercise the authorities, the directors intend to follow ABI recommendations concerning their use (including as regards the directors standing for re-election in certain cases).

As at the Latest Practicable Date, 3,371,972 Ordinary Shares are held by the Company in treasury. This represents 1.42% of the total ordinary share capital in issue (excluding treasury shares) as at the Latest Practicable Date.

Resolutions 16 and 17 – Disapplication of pre-emption rights in certain circumstances (proposed as special resolutions)

Resolutions 16 and 17 will be proposed as special resolutions, each of which requires a 75% majority of the votes to be cast in favour. They would give the directors the power to allot ordinary shares (or sell any Ordinary Shares which the Company holds in treasury) for cash without first offering them to existing shareholders in proportion to their existing shareholdings.

The power set out in Resolution 16 would be, similar to previous years, limited to: (a) allotments or sales in connection with pre-emptive offers and offers to holders of other equity securities if required by the rights of those shares, or as the Board otherwise considers necessary, or (b) otherwise up to an aggregate nominal amount of £118,965.73 (representing 11,896,573 Ordinary Shares). This aggregate nominal amount represents approximately 5% of the issued ordinary share capital of the Company (excluding treasury shares) as at 21 March 2017, the Latest Practicable Date prior to publication of this Notice.

In respect of the power under Resolution 16(b), the directors confirm their intention to follow the provisions of the Pre-Emption Group's Statement of Principles regarding cumulative usage of authorities within a rolling three-year period where the Principles provide that usage in excess of 7.5% of the issued ordinary share capital of the Company (excluding treasury shares) should not take place without prior consultation with shareholders.

Resolution 17 is intended to give the Company flexibility to make non pre-emptive issues of Ordinary Shares in connection with acquisitions and other capital investments as contemplated by the Pre-emption Group's Statement of Principles. The power under Resolution 17 is in addition to that proposed by Resolution 16 and would be limited to allotments or sales of up to an aggregate nominal amount of £118,965.73 (representing 11,896,573 ordinary shares) in addition to the power set out in Resolution 16. This aggregate nominal amount represents an additional 5% of the issued ordinary share capital of the Company (excluding treasury shares) as at 21 March 2017, the Latest Practicable Date prior to publication of this Notice.

The powers under Resolutions 16 and 17 will expire at the earlier of 30 June 2018 and the conclusion of the Annual General Meeting of the Company held in 2018.

Resolution 18 – Political donations

Part 14 of the Act imposes restrictions on companies making political donations to: (i) political parties; (ii) other political organisations; and (iii) independent election candidates and on incurring political expenditure (as defined in the Act) without shareholders' consent. The Company does not envisage making any political donations; however, as the definitions used in the Act are broad, it is possible that normal business activities, which might not be thought to be political expenditure in the usual sense, could be caught. On that basis, authority is being sought purely as a precaution.

Resolution 19 – Authorisation for the Company to purchase its own shares (proposed as a special resolution)

This resolution seeks authority for the Company to purchase up to 10% of its issued Ordinary Shares (excluding any treasury shares), renewing the authority granted by the shareholders at its AGM held on 27 April 2016. The Company has purchased 2,091,155 Ordinary Shares in the period from the date of the 2016 AGM to 21 March 2017, the Latest Practicable Date, under the existing authority.

The directors will exercise this authority only when to do so would be in the best interests of the Company and of its shareholders generally and when such exercise could be expected to result in an increase in the earnings per share of the Company.

Ordinary Shares purchased by the Company pursuant to this authority may be held in treasury or may be cancelled. The directors will consider holding any Ordinary Shares the Company may purchase as treasury shares. The Company currently has 3,371,972 Ordinary Shares in treasury. The minimum price, exclusive of expenses, which may be paid for an ordinary share is 1 pence. The maximum price, exclusive of expenses, which may be paid for an ordinary share is the highest of (i) an amount equal to 5% above the average market value for an ordinary share for the five business days immediately preceding the date of the purchase and (ii) the higher of the price of the last independent trade and the highest current independent purchase bid on the trading venues where the purchase is carried out at the relevant time.

As at the Latest Practicable Date, the Company had options over 4,146,660 Ordinary Shares outstanding, representing 1.74% of the Company's issued Ordinary Shares capital as at that date and 1.58% of the Company's issued ordinary Share capital if the full authority to buy back Ordinary Shares being sought is granted and used and that all Ordinary Shares so bought back are cancelled and not held in treasury and re-issued.

The authority will expire at the earlier of 30 June 2018 and the conclusion of the AGM of the Company held in 2018.

Resolution 20 – Approval of waiver of Rule 9 offer obligation

The Board wishes to have the maximum flexibility in managing its capital resources and exercising its share buyback authority if the market conditions are favourable.

The current shareholding of funds managed by Oaktree is 71,696,855 shares representing approximately 30.133% of the issued share capital of the Company (excluding the treasury shares). In 2016, before funds managed by Oaktree became the holders of 30% or more of the shares in the Company, the Panel granted a Waiver of any obligation which would otherwise arise upon Oaktree pursuant to Rule 9 of the Code. This Waiver was made subject to the approval of the independent shareholders of the Company (being shareholders excluding Oaktree and any parties acting in concert with Oaktree). The independent shareholders approved the Waiver at a general meeting of the Company held on 8 January 2015. As a result, Oaktree has not been required to make an offer for the remaining shares of the Company pursuant to Rule 9 of the Code. This Waiver was renewed at the Company's 2016 AGM and expires at the earlier of the 2017 AGM or 30 June 2017.

Maximum potential holding

If the Company were to make market purchases from persons other than Oaktree or any person acting in concert with Oaktree to the maximum extent permitted pursuant to the Buyback Authority under Resolution 19 (and assuming no other allotments of Ordinary Shares and with no other person converting any convertible security or exercising any options or any other rights to subscribe in Ordinary Shares), the shareholding of Oaktree would remain at 71,696,855 Ordinary Shares but the proportion of the Company's reduced issued voting share capital represented by those shares would increase to over 33.48%.

In view of the Buyback Authority sought under Resolution 19 and the current shareholding of Oaktree, the Company has again obtained the approval of the Panel of a Waiver of Oaktree's Rule 9 obligation, which approval is subject to approval of the Independent Shareholders of the Company (Resolution 20). If approved by independent shareholders, this Waiver would apply until the earlier of the 2018 AGM or 30 June 2018.

Oaktree is prevented from voting on Resolution 20.

Oaktree not prevented from making offer

In the event that Resolution 20 is passed, Oaktree will not be restricted from making an offer for the Company.

Further information on Oaktree can be found on its website at www.oaktreecapital.com.

At the Company's admission to trading on the London Stock Exchange, the Oaktree Funds' holding in the Company represented 36.9% of the Company's total ordinary share capital. On 14 August 2013, the Oaktree Funds disposed of 20,396,626 of their Ordinary Shares. On 31 July 2014, the Oaktree Funds began repurchasing shares in the Company and continued to purchase shares up until 12 September 2014, taking their holding to 64,929,676 Ordinary Shares (representing 29.6% of the voting rights of the Company at the time). In doing so, the Oaktree Funds did not have any intention of regaining control of the Company. Since the beginning of 2015, on market repurchases by the Company of its own shares have resulted in Oaktree's shareholding in the Company increasing to its current level of 30.133%. Oaktree also participated pro rata in the placing of new shares carried out by the Company on 9 March 2017. As part of the placing, the number of shares held by Oaktree increased by 6,500,000, taking its total holding to 71,696,855, but its percentage shareholding remained the same (at 30.133%).

Oaktree's intentions

Oaktree has confirmed to the Company that it is not proposing, following any increase in the percentage interest of the Oaktree Funds in Ordinary Shares as a result of repurchases by the Company of its own shares pursuant to the Buyback Authority, to seek any change in the composition of the Board or to the general nature or any other aspect of the Company's business or strategy.

Oaktree has also confirmed to the Company that it has no current intention to change the Company's current plans with respect to:

- the future of the Company's (and the Company's subsidiaries') businesses;
- the location of the Company's (and the Company's subsidiaries') places of business;
- the continued employment of the Company's employees and management, including any material change in conditions of employment;
- employer contributions into the Company's pension schemes, the accrual of benefits for existing members and the admission of new members;
- the maintenance of any existing trading facilities for the relevant securities of the Company; or
- the redeployment of the fixed assets of the Company (or any of its subsidiaries),

as a result of such proposals.

PART IV

Notes to the Notice of Annual General Meeting

Shareholders' right to appoint a proxy

1. Members are entitled to appoint a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at the meeting. A shareholder may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. A proxy form which may be used to make such appointment and give proxy instructions accompanies this notice. If you do not have a proxy form and believe that you should have one, or if you require additional forms, please contact Capita Asset Services:
 - by post – Capita Asset Services, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU;
 - by telephone from the UK – 0871 664 0300 (Overseas – +44 (0) 371 664 0300) UK calls cost 12 pence per minute, plus your phone company's access charge. Calls from outside the UK will be charged at the applicable international rate. Lines are open 9.00 am to 5.30 pm Monday to Friday, excluding public holidays; or
 - by email – shareholderenquiries@capita.co.uk.
2. Form of Proxy

To be valid any proxy form or other instrument appointing a proxy must be received:

 - by post or (during normal business hours only) by hand at Capita Asset Services, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU;
 - electronically via the shareholder portal at www.countrywide-shares.co.uk; you will need to have your Investor Code which can be found on your share certificate. If you have not already registered, you can do so by following the relevant link to the registration page;
 - in the case of shareholders holding their shares through CREST, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out in paragraphs 9 to 12 below; or
 - by using the enclosed pre-paid envelope,

in each case no later than 25 April 2017 at 10.00 am.
3. In the case of a member which is a company, the proxy form must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company.
4. Any power of attorney or any other authority under which the proxy form is signed (or a duly certified copy of such power or authority) must be included with the proxy form.
5. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the Resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before AGM.
6. The return of a completed proxy form, other such instrument or any CREST Proxy Instruction (as described in paragraphs 9 to 12 below) will not prevent a member attending the AGM and voting in person if he/she wishes to do so.
7. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).
8. If you appoint more than one proxy and the proxy forms appointing those proxies would give those proxies the apparent right to exercise votes on your behalf in a general meeting over more shares than you hold, then each of those proxy forms will be invalid and none of the proxies so appointed will be entitled to attend, speak or vote at the relevant general meeting.

Part IV

Notes to the Notice of Annual General Meeting continued

CREST

9. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
10. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com/CREST). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent Capita Asset Services (ID is RA10) by 10.00 am on 25 April 2017. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
11. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
12. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5) (a) of the Uncertificated Securities Regulations 2001.

Nominated persons

13. Any person to whom this notice is sent who is a person nominated under section 146 of the Companies Act 2006 to enjoy information rights ('a Nominated Person') may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.
14. The statement of the rights of shareholders in relation to the appointment of proxies in paragraphs 1 to 4 on page 13 does not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by shareholders of the Company.
15. To be entitled to attend and vote at the AGM (and for the purpose of the determination by the Company of the votes they may cast), shareholders must be registered in the Register of Members of the Company at the close of business on 25 April 2017 (or, in the event of any adjournment, on the date which is two days before the time of the adjourned meeting). Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the meeting.

Voting

16. Voting at the AGM will be conducted by way of a poll rather than on a show of hands. The Board believes a poll is more representative of shareholders' voting intentions because shareholders' votes are counted according to the number of shares held and all votes tendered are taken into account.
17. As at the Latest Practicable Date the Company's issued share capital consists of 241,303,439 issued Ordinary Shares of 1 pence each admitted to trading and carrying one vote each. The Company holds 3,371,972 Ordinary Shares in treasury. Therefore the total voting rights in the Company as at the Latest Practicable Date is 237,931,467.

You can fill in an online voting form instead of coming to the AGM in person. The online voting form is available electronically via the shareholder portal at www.countrywide-shares.co.uk. You will need to have your Investor Code which can be found on your share certificate. If you have not already registered, you can do so by following the relevant link to the registration page. Your online voting form must be submitted no later than 25 April 2017 at 10.00 am (UK time) or, if the meeting is adjourned, by the time which is 48 hours before the time of the adjourned meeting.

Documents for display

18. Copies of the service contracts and letters of appointment of the directors of the Company will be available for inspection at least 15 minutes prior to the Meeting and during the Meeting.

Members' power to require website publication of audit concerns

19. Under section 527 of the Companies Act 2006, members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter that the members propose to raise at the AGM relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual report and accounts were laid in accordance with section 437 of the Companies Act 2006. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Companies Act 2006. Where the Company is required to place a statement on a website under section 527 of the Companies Act 2006, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Companies Act 2006 to publish on a website.

Corporate representatives

20. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its power as a member provided that they do not do so in relation to the same shares.
21. Except as provided above, members who have general queries about the AGM should use the following means of communication (no other methods of communication will be accepted):
- By telephone from the UK – 0871 664 0300 (Overseas – +44 (0) 371 664 0300), UK calls cost 12 pence per minute, plus your phone company's access charge. Calls from outside the UK will be charged at the applicable international rate. Lines are open 9.00 am to 5.30 pm Monday to Friday, excluding public holiday; or
 - by post to the Company Secretary, Countrywide plc, County House, Ground Floor, 100 New London Road, Chelmsford, Essex CM2 0RG, England.

You may not use any electronic address provided either in this Notice of Annual General Meeting or any related documents (including the chairman's letter and proxy form) to communicate with the Company for any purposes other than those expressly stated.

Shareholders' right to ask questions at the AGM

22. Any member attending the meeting has the right to ask questions relating to the business of the AGM in accordance with section 319A of the Companies Act 2006. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information; (b) the answer has already been given on a website in the form of an answer to a question; or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

Notice of AGM on Company's website

23. A copy of this Notice, and other information required by section 311A of the Companies Act 2006, can be found at www.countrywide.co.uk.

Poll result

24. It is expected that the total of the votes cast by shareholders for or against or withheld on each Resolution will be published on www.countrywide.co.uk after the AGM.

Proxy form continued

Explanatory notes:

1. If you wish to appoint someone as your proxy other than the chairman of the Meeting, insert the name of your chosen proxy in the space provided in the first box. If the proxy is being appointed in relation to part of your holding only, please enter in the box next to the proxy's name the number of shares in relation to which they are authorised to act as your proxy. If this box is left blank they will be authorised in respect of your full voting entitlement.
2. To appoint more than one proxy, (an) additional proxy form(s) may be obtained by contacting the Company's registrar, Capita Asset Services, or you may copy this form. If you are appointing more than one proxy, please indicate in the box next to the proxy holder's name the number of shares in relation to which they are authorised to act as your proxy and indicate by ticking the relevant box that the proxy appointment is one of multiple appointments being made. Multiple proxy appointments should be returned together in the same envelope. If you appoint more than one proxy and the proxy forms appointing those proxies would give those proxies the apparent right to exercise votes on your behalf in a general meeting over more shares than you hold, then each of those proxy forms will be invalid and none of the proxies so appointed will be entitled to attend, speak or vote at the relevant general meeting.
3. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual (available via www.euroclear.com/CREST). CREST Personal Members or other CREST sponsored members and those CREST members who have appointed a service provider(s) should refer to their CREST sponsor or voting service provider(s) who will be able to take the appropriate action on their behalf.
4. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent Capita Asset Services (ID RA10) by 10.00 am on 25 April 2017. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
5. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5) (a) of the Uncertificated Securities Regulations 2001 (as amended).
6. In the absence of instructions, the person appointed proxy may vote or refrain from voting as he or she thinks fit on the specified resolutions and, unless instructed otherwise, the person appointed proxy may also vote or refrain from voting as he or she thinks fit on any other business (including amendments to resolutions) which may properly come before the meeting.
7. The 'Vote withheld' option is provided to enable you to refrain from voting on any particular resolution. However, it should be noted that a 'Vote withheld' is not a vote in law and will not be counted in the calculation of the proportion of the votes 'For' and 'Against' a resolution.
8. This form must be signed and dated by the shareholder or his/her attorney duly authorised in writing. If the shareholder is a company, it may be executed by the signature(s) of a duly authorised officer or attorney. In the case of joint holdings, any one holder may sign this form. The vote of the senior joint holder who tenders a vote, whether in person or by proxy, will be accepted to the exclusion of the votes of the other joint holders and for this purpose seniority will be determined by the order in which the names stand in the register of members in respect of the joint holding. The completion and return of this form will not preclude a shareholder from attending the meeting and voting in person.
9. To be valid, this form must be completed and lodged with the Company's registrar, Capita Asset Services, at The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU, or electronically via the shareholder portal at www.countrywide-shares.co.uk, together with the power of attorney or other authority (if any) under which it is signed or a copy of such authority certified notarially, by 25 April 2017 at 10.00 am.

- (A) neither Oaktree, any member of Oaktree nor any person acting in concert with Oaktree has any interest in, right to subscribe in respect of or short position in relation to any relevant securities;
 - (B) neither Oaktree, any member of Oaktree nor any person acting in concert with Oaktree has dealt in relevant securities during the period of twelve months ended on the Latest Practicable Date;

In this paragraph 12 reference to:

- (F) 'relevant securities' means Ordinary Shares and securities carrying conversion or subscription rights into Ordinary Shares;
- (G) 'derivatives' includes any financial product, whose value in whole or in part is determined directly or indirectly by reference to the price of an underlying security;
- (H) 'short position' means a short position, whether conditional or absolute and whether in the money or otherwise, and includes any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery; and

 - (c) in relation to a person who is an associated company of Oaktree or the Company, an organisation (if any) which is advising that person in relation to Resolution 20.
- (L) 'control' means an interest, or aggregate interests, in shares carrying in aggregate 30% or more of the voting rights of a company, irrespective of whether such interest or interests give de facto control.

For the purposes of this paragraph 12 a person is treated as 'interested' in securities if he or she has long economic exposure, whether absolute or conditional, to changes in the price of those securities (and a person who only has a short position in securities is not treated as interested in those securities). - (Q) he or she is party to any derivative:
 - (a) whose value is determined by reference to their price, and
 - (b) which results, or may result, in his having a long position in them.

There is no agreement or arrangement or understanding by which the beneficial ownership of any Ordinary Shares acquired by the Company pursuant to its exercise of the Buyback Authority will be transferred to any other person.
